About Us

Top Brass is a company dedicated to preparing police officers for New Jersey Civil Service promotional exams. We have experienced instructors, who have taught in schools and police academies and have consistently scored high on their own promotional exams.

Featured Courses and Seminars

Currently, our program runs about 17 weeks with dual track classes on Mondays and Thursdays from 9 a.m.-Noon and from 6-9 p.m. Instructors are available all day on both days.

2013 Special Events

Due to the difficulties caused by the current economic conditions and problems caused by Hurricane Sandy, we are offering payment plans and other options to ease the financial burden on our brother/sister officers. We will also have test preparation courses for the 2013 N.J. Civil Service Police Entry exam beginning in the spring.

Check This Out

Did you know that we are the only company among our competitors that offers web postings of all of our classes? You can listen to and watch our videos through devices that have access to the internet such as I-Phones, smart phones, I-Pads/Pods, tablets and computers. Our students are exposed to different types of testing procedures from day one and receive thousands of multiple choice questions as well as dozens of assessment type scenarios. We also review the assessments weekly in order to modify responses for higher scores.

This Just In

Attend a class for free, with no obligation, and see for yourself the type of test preparation and study material you will receive as one of our customers.
